<p align="center">Welcome Ivonne/Public Comment</p>	<ul style="list-style-type: none"> Meeting called to order at 5:01pm Welcome Ivonne – we are so pleased to have you join this team! Jean/Diane: pickleball – N. Hero has turned their basketball court into pickleball court (nets and striping). Dimension of a pickleball court 44ftx20ft. We can measure Bball court at rec fields to determine if this would fit. How many Enosburg folks would play? Jean/Diane think it would take off here. Requirements would be to purchase nets, a few racquets to loan, and balls. Games happen by rotating players throughout a time period. Check out old ice rink near school as an opportunity. \$40/month at Collins Perley 	<p>Amy email Ivonne the time sheet</p> <p>Measure and price out pickleball court creation (bball court, space near school, armory, etc.)</p>
<p>Minute Approval</p>	<ul style="list-style-type: none"> Polly moves to approve minutes. Shawna seconds. All in favor. None opposed. 	<p>Have not followed up about Shed Door – will tomorrow (Polly)</p>

Kick off with the bike to school day that morning and kick off the evening event with a story walk. How would Rec like to be involved? Food prep, serving, clean-up or additional assistance. Steve will be there. Ivonne will be there. If we were wearing Rec Shirts, that would be awesome. Even if we tabled there and had “collateral” to give away. Event is shared through FB (we can share it)</p> <p>Bike to work week, lunchtime bike ride, family and friends ride, bike</p>	<p>Check to see if bike racks are allowed in village (zoning?) (Shawna) Answer: yes as long as it is not in the village right of way, however if it’s a business that fronts the sidewalk, ask the Village.</p> <p>Joanne will send Amy the Community Dinner flyer and Amy will send out to ECRC We’ll continue to share each</p>
